When Technical Information is needed, technical information is offered for products we rebuild only. The information is intended to provide basic guidelines before classifying a control unit as defective. We do not provide information for customers to rebuild their own control units or to troubleshoot their automobile malfunctions, and we are not responsible for inaccuracies with the information provided. If you are not a certified technician, we suggest you obtain professional services to evaluate your automobile before further damage occurs. If we can-not rebuild or duplicate the issues with the controller, there is a \$55.00 Test Fee. Please use this form for initial rebuild & return services only. **PLEASE, DO NOT USE THIS FORM FOR WARRANTY RETURNS.**
